APEDA/ORG/2024/Advisory/01
Dated 28th March 2024

Sub: Advisory on uploading identity proof of certified operators and farmers on TraceNet.

Dear Certification Bodies,

This is in reference to the submission of Identity proof of the registered operators and farmers on Tracenet.

In this regard it has been noted that PAN Card details have not been updated for several certified operators on Tracenet.

Further, Aadhar details of the farmers have also not been updated although provision for the same is available. Updation of identity details are mandatory requirements for verifying the authenticity of the operators.

All the Certification bodies are hereby advised to update the PAN details of their registered operators and Aadhar details of the farmers **within 45 days of issuance of this advisory.**

Certification Bodies are required to verify the PAN and Aadhar details while updating on Tracenet. PAN and Aadhar authentication is being integrated in the system for verification.

APEDA will be monitoring the progress in this regard on a weekly basis. Any constraint/issue faced while undertaking this process may be intimated for resolution.

This issues with the approval of the Competent Authority.
